GREENWOOD, DE

Message from the Principal: Mr. Miller

Hello everyone,

Just a couple of reminders as we move into spring and warmer weather.

- There are lots of spring sports happening. If you are pulling into the gravel drive, please watch for pedestrians as many students and parents are now using the walking path to the church. Be careful!
- Be sure to apply for the ACE scholarship as soon as you have completed your 2025 taxes. It will benefit you and the school.
- Our ACSI accreditation visit was postponed because of the blizzard. The new date is April 19-22.

Also, our students are currently involved in lots of activities. Here are a few:

- Our top Math League team consisting of Isabella Buschert, Christian Layton, Judah Burkholder, Kaitlyn Kauffman, and Caden King, qualified for the state tournament. Christian and Judah, along with 7th grader Lucy Swartzentruber also qualified individually.
- Seventeen of our juniors and seniors are currently on a trip to Rosedale Bible College for a college visit.
- Several of our middle and high school students are headed to the Sussex County Science Fair today.
- Congratulations to 5th grader Hadleigh Gissy and 6th grader Chance Wright as we just found out that they are both 2026 recipients of Carson Scholars Fund scholarships.
- Three of our high school band students, Jonathan Schrock, Brian Schrock, and Ezra Swartzentruber were invited to participate in the All-County Band last week. Great job boys!
- Our Bible Quiz teams, made up of 20 middle schoolers and 6 high schoolers will be finishing their season at Black Rock Retreat next week.

As you can see, there are a lot of school activities currently happening. Two more weeks, and we will be in our final 9 weeks for the year. Please join us in praying for a really good spring at GMS.
