Dear Parents,

Our End of the Year Fundraiser was a great success. Thanks to many generous donors we raised \$115,000! Because of this, we are moving forward with plans to upgrade security here at GMS with a new intercom system and new security cameras and monitoring! These two systems will likely not be completed until this summer but we are very excited to be able to put a plan in place.

In our faculty devotional time this morning we read verses that promise God will supply our needs if we trust in Him and this is a great example of those promises being fulfilled. When I first received quotes for the systems mentioned above, it was natural to wonder how we would find the funds to do such a large task. But God provided!

There is much uncertainty in our world but we must remember that in each case God will provide for our needs! Philippians 4:19 says, "And my God will supply all your needs according to His riches in glory in Christ Jesus." Let's remember that and trust in Him.

Mr. Miller

Winter Weather Updates

All delays and cancellations will be broadcast to parents through a text alert messaging system. Your cell phone number is placed into a database from the school's side of things, so if you, as a parent, haven't received any messages yet this year, please make sure you contact us.
