Message from the Principal: Mr. Miller

The 2026/2027 school year has begun and we are thankful that God's blessings are new every day and every year! Here are my thoughts as we start the year.

1. Thanks for entrusting GMS to work with your kids every day for another school year. We don't take that trust lightly and we are committed to keeping them safe and working hard to make it a great year for each student! We want them to be seen, understood, and cared for.
2. Please be an encouragement to your child's teachers. Teaching is a high pressure job and teachers often wonder if they are making a difference. A note from a parent means a lot.
3. As the year goes on, please feel free to contact us whenever you have any questions or concerns of any type. We always appreciate your input.
4. Pray, pray, pray. As we go through the year, please pray often for us. Pray for protection, pray for wisdom, and pray for success for your child(ren) and for our faculty and staff.

Our prayer is that your child(ren) would grow as the Bible says of Jesus: in wisdom and stature, and in favor with God and man. Please partner with us in pointing their hearts and minds to Jesus.

A big Thank-You to all who helped with the final year of our DE State Fair food booth fundraiser! GMS has been operating that booth since 2009 (when it was turned over to us by Tressler Mennonite Church), and many, many, many volunteer hours have gone into it since then. We are so grateful for the way the community gave tirelessly to make it happen. We are considering it a very successful final year as we were able to raise close to \$70,000.00.
